-Buying a home is really an adventure, riddled with lots of hurdles and little obstacles you have to overcome. But when I have to do it all over again, I hope Carol Mundell is still in the business because she was an absolutely fantastic guide & coach. Every step of the way she was telling us what to expect, answered all our questions and kept us at ease by always taking care of whatever was under her responsibility and even providing resources for those things that were not. Can't say enough good things about her! Jason

-Carol is an amazing agent. She is very professional, knowledgeable and reliable. She always made sure we were well informed and she guided us through every step of the buying and selling process. Once Carol found us a home to buy, she quickly put our home on the market and within 3 days we went into escrow. We couldn't have asked for a better agent to work with! Aida
