***Did you
know?***

Established in 2022 by longtime friends Hillary Hutson and Casey Currier, MicDrop's mission is to provide an unforgettable experience through customer service, great comedy, and a fun ambiance!

A once family Greek restaurant turned into a comedy club called the Comedy Palace, this venue became a well-respected comedy club from the early 90's until it's doors closed in 2020. As new owners, Mic Drop's redesign of the venue focused on preserving original features to respectfully pay homage to the original comedy club.
